

2024 Spring Semester

Admission Guide for [Graduate Students]

MYONGJI
UNIVERSITY

<About our graduate programs>

1. Myongji University offers both weekday **daytime** and **evening courses**.
 - **General Graduate School(referred to as Graduate School)** : weekday daytime courses
 - **Special Graduate Schools** : weekday evening courses
 - A. Graduate School**
 - Majors: those not listed under Special Graduate Schools
 - Degree offered : Master's, Ph.D., and Master's/Ph.D. Integrated program
 - ※ MA program: 4 semesters / Ph.D. Program: 6 semesters / MA/Ph.D. Integrated program: 8 semesters
 - B. Special Graduate School**
 - Graduate School of Integrative Therapy, Graduate School of Education, Graduate School of Business, Graduate School of Social Welfare, Graduate School of Culture and Arts, Graduate School of Real Estate, Graduate School of Industry
 - Degree offered : Master's program(5 semesters)
2. Please make sure you are fully informed of the requirements for the program you are applying to as well as the location of the faculty to which your intended major belongs to.
 - **Seoul Campus** : 34 Geobukgol-ro, Seodaemun-gu, Seoul, 03674, Korea
 - **Yongin Campus** : 116, Myongji-ro, Cheoin-gu, Yongin, Gyeonggi-do, 17058, Korea
3. If a student does not meet the language requirement or submits an incomplete application, his/her application may be rejected before being proceeded to the next phase. In this case, the application and its fee are not be able to return. (General - TOPIK level 4, Arts and Physical - TOPIK level 3)
4. **The letter of recommendation** should be from an instructor in the institution you last attended. It must be signed by the instructor himself/herself.
5. **Financial Affidavit**: Official bank statement is required on bank letterhead. Please show an available balance in 20,000,000 KRW(minimum). For applicants currently residing in Korea, the account must be a Korean bank account. For applicants currently residing outside of Korea, the account must be a foreign bank account.
6. **For applicants who are scheduled for the performance test**, supplementary materials must be sent in advance along with other application documents (i.e. portfolio, CDs, DVDs, etc.)
7. If a student who did not fulfill the requirements or not passed for evaluation for a thesis, may be required to register for additional semesters to meet the graduation requirements.
8. **Transfer admission** : only available for students who have been enrolled or who are currently enrolled in the Korean Graduate School(s). (Not acceptable for students who were enrolled in or graduated from overseas universities.)
9. **Please note**:
 - ✓ The application fee is not refundable. Submitted documents will not be returned even when the applicant is not accepted.
 - ✓ Evaluation scores will not be disclosed.
 - ✓ Documents written in languages other than Korean or English must be translated into Korean and evaluated by an approved agency. (Originals also must be submitted.)
 - ✓ If any information provided by the applicant in the application is found to be false, the application will be rejected and any offer of enrollment will be withdrawn.
 - ✓ Any offer of enrollment will be withdrawn if the applicant who has not yet been conferred a Bachelor's degree at the time of submitting the application fails to submit his/her Certificate of Graduation by the designed date.

※ Students applying to Master's or Doctoral programs in Graduate School must have a designated academic advisor before being officially enrolled in the program. Therefore, applicants are advised to contact the relevant faculty by email first to schedule a meeting. (Refer to directory on www.mju.ac.kr)

16. Myongji University

Since its foundation in 1948, more than 130,000 graduates have left Myongji with confidence that their knowledge and genuine consideration for others will make the world a better place. As a private university founded upon Christian faith and values, we are proud to have been a home to our graduates who are now playing significant roles inside and outside Korea in their professional fields.

[Seoul Campus](#)

Seoul Campus has a world-class education with a state-of-the-art ubiquitous educational environment and is also located in the Seodaemun district in the center of Seoul. Its proximity to the area of Shinchon, known as a university town rich in youth culture, allows students to share their energy, passion, and creative ideas in their personal growth. Students may deepen and enrich their academic and social experiences by collaborative activities with other students from nearby universities. It has colleges of Humanities, Social Science, Business Administration, Law, and ICT Convergence in university.

[Yongin Campus](#)

The City of Yongin, where the Natural Science Campus is located, is known as the biggest of the educational cities in the metropolitan area. Known as the center for Korea's high-tech industry, Yongin has been a popular destination for the semiconductor industry, and many other high-tech-related facilities. Also, a state-of-the-art 'SK Hynix Semiconductor Complex' will be built near the campus. It is also endowed with rich elements of cultural heritage, attracting many foreigners to experience Korean culture and traditions. It has colleges of Natural Science, Engineering, Arts and Physical Education Architecture, and ICT Convergence in university.

[Graduate programs](#)

- Graduate School : Master's, Ph.D., and Integrated Master's/Ph.D. programs
- Special Graduate School : Great opportunity to enhance career or launch a new one by attending evening courses

17. Global competence

International Education Quality Assurance System

Myongji has been designated by the Korean Ministry of Education as an institution accredited to receive and manage international students for its excellence in teaching and administration (International Education Quality Assurance System 2014~2020).

- As a result of the national project administered by the Ministry of Education aimed at assessing the basic competence of institution of higher education in Korea, Myongji University was granted **10 billion KRW for the period from 2022 to 2024 (3 years)** as it has demonstrated high evaluation standards.

Official testing site for the Test of Proficiency in Korean(TOPIK)

Designated by the Ministry of Education as an official testing venue for the Test of Proficiency in Korean(TOPIK)
