

2021 Spring Semester

Admission guide for Undergraduate School

**Office of International Affairs
Myongji University**

1. Myongji University

Since its foundation in 1948, more than 130,000 graduates have left Myongji with confidence that their knowledge and genuine consideration for others will make the world a better place. As a private university founded upon Christian faith and values, we are proud to have been a home to our graduates who are now playing significant roles inside and outside Korea in their professional fields.

■ [Seoul Campus](#)

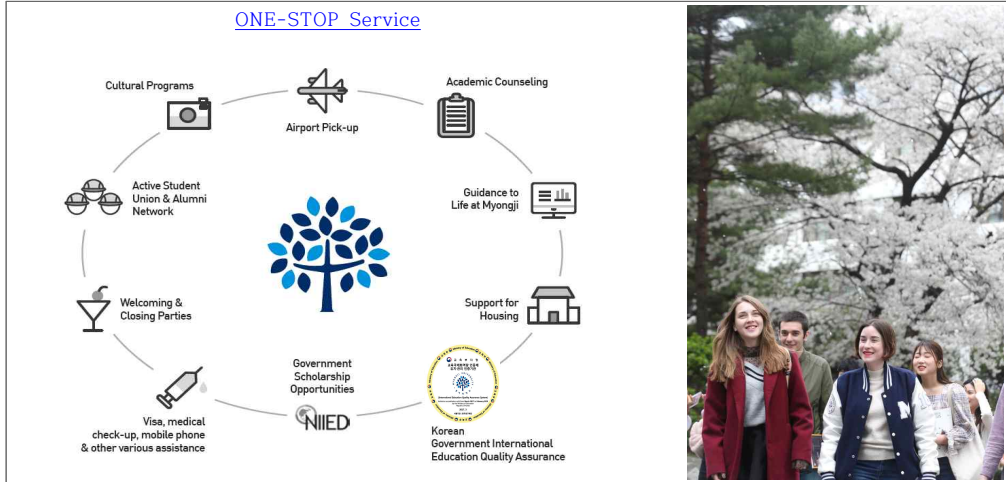

The Social Science Campus is located in Seodaemun district in the center of Seoul. Its proximity to the area of Shinchon, known as a university town rich in youth culture, allows students to share their energy, passion, and creative ideas in their personal growth. Students may deepen and enrich their academic and social experiences by collaborative activities with other students from nearby universities.

■ [Yongin Campus](#)

The City of Yongin, where the Natural Science Campus is located, is known as the biggest of the educational cities in the metropolitan area. Known as the center for Korea's high-tech industry, Yongin has been a popular destination for the semiconductor industry, and many other high tech-relates facilities, including the control center for the Mugunghwa communications satellites. It is also endowed with rich elements of cultural heritage, attracting many foreigners to experience Korean culture and traditions. Myongji University's Natural Science Campus is also easily accessible from Seoul, less than one hour by public transportation or by car.

2. Various Support Services

A full-range of service and support necessary in adapting to life in Korea for all international student.

「어우라미(OULAMI)」 (International Outreach Student Club) : Peer Support

OULAMI students are selected elite students who represent Myongji University. Their main role is to help international students adapt to new life in Korea. They also host regular weekly activities, where international students can freely participate, such as tasting Korean food, visiting cultural sites, playing board games, trying out different traditional costumes, enjoying sports games and watching movies.

OULAMI also introduces international students to local Myongji students' culture, including university festivals. During the festival, international students cook their own traditional food, sell their national souvenirs and enjoy the festive atmosphere together. Through these activities, international students get the chance to explore the youth life in Korea and interact with other Korean students at Myongji.

「Global BUDDY」 : Academic Support

Global BUDDY students are talented students with excellent academic competence who provide academic support to international undergraduate students. One Global BUDDY is matched with 3-4 international students, and each international student meets with their Global BUDDY every week. International students can ask their Global BUDDY for assistance related to homework, class group projects and other academic assignments.
